

INTRO TO THE ARTS
a youth led performing arts program

What will I do at triple arts camp?

At Triple Arts Camp, performers will sing, dance, and act while building confidence on and off the stage. Each day is filled with fun, creativity, and hands-on learning as students prepare for a final performance. Whether your child is brand new or already loves the spotlight, this camp meets them where they are and helps them grow.

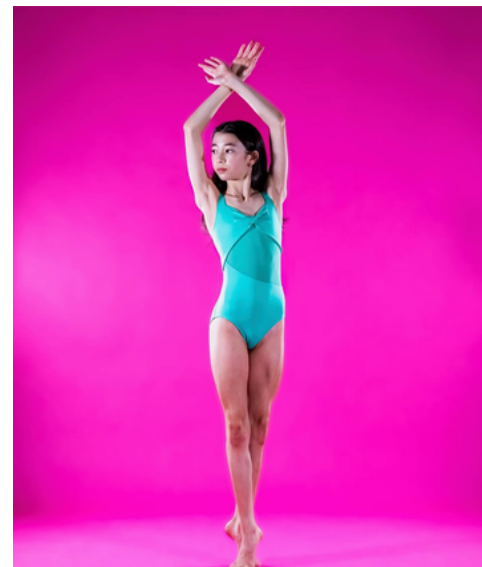

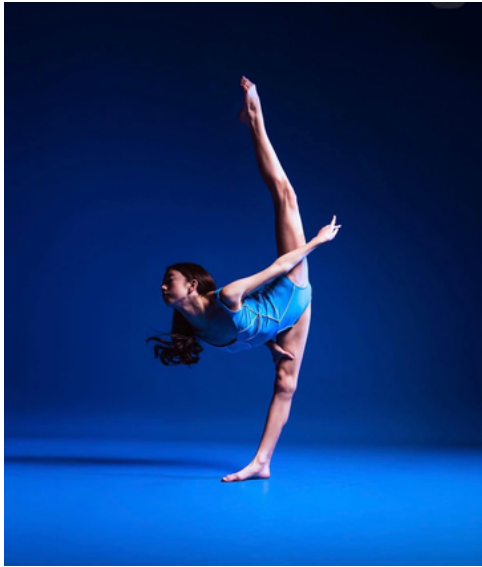

Intro to the Arts

start to build my bin and audition binder

Performers will learn how to prepare like a pro by building their very own theater bin and audition binder. From headshots and sheet music to rehearsal essentials, we teach students how to stay organized and confident

Intro to the Arts - youth led

sing . dance . Perform

One on one dance and voice lessons

Get ready to shine! On our Dancing with the Stars day, guest dancers will work one-on-one with campers to teach choreography, build confidence, and prepare them to perform and “compete” in a fun, encouraging showcase.

Our American Idol day brings that same spotlight energy where each performer receives personalized coaching and takes the stage to show off their voice.

Makeup and costumes

Step into character!
Campers will explore stage
makeup, costume pieces,
and how to transform their
look for different roles.
They'll learn age-
appropriate techniques
that help bring characters
to life while feeling
confident and
performance-ready.
